

1. Korak: u Google tražilicu upišete navedenu adresu i odaberete **Wizer.me**

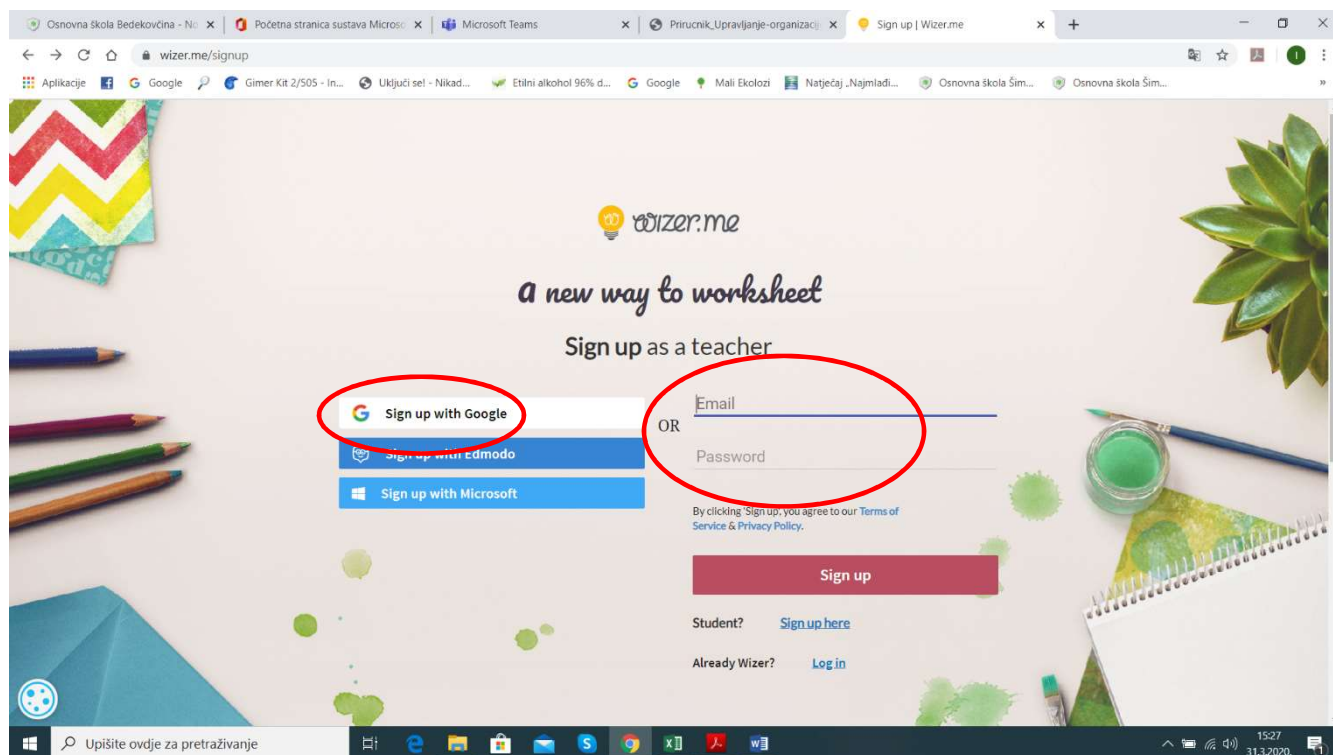

2. Korak: Odaberete **ili Join for FREE ili Create Worksheet** – Wizer kod besplatne opcije dozvoljava kreirati jedan razred, ali i beskonačno radnih listića (a vi onda poveznicu dodijelite kome hoćete)

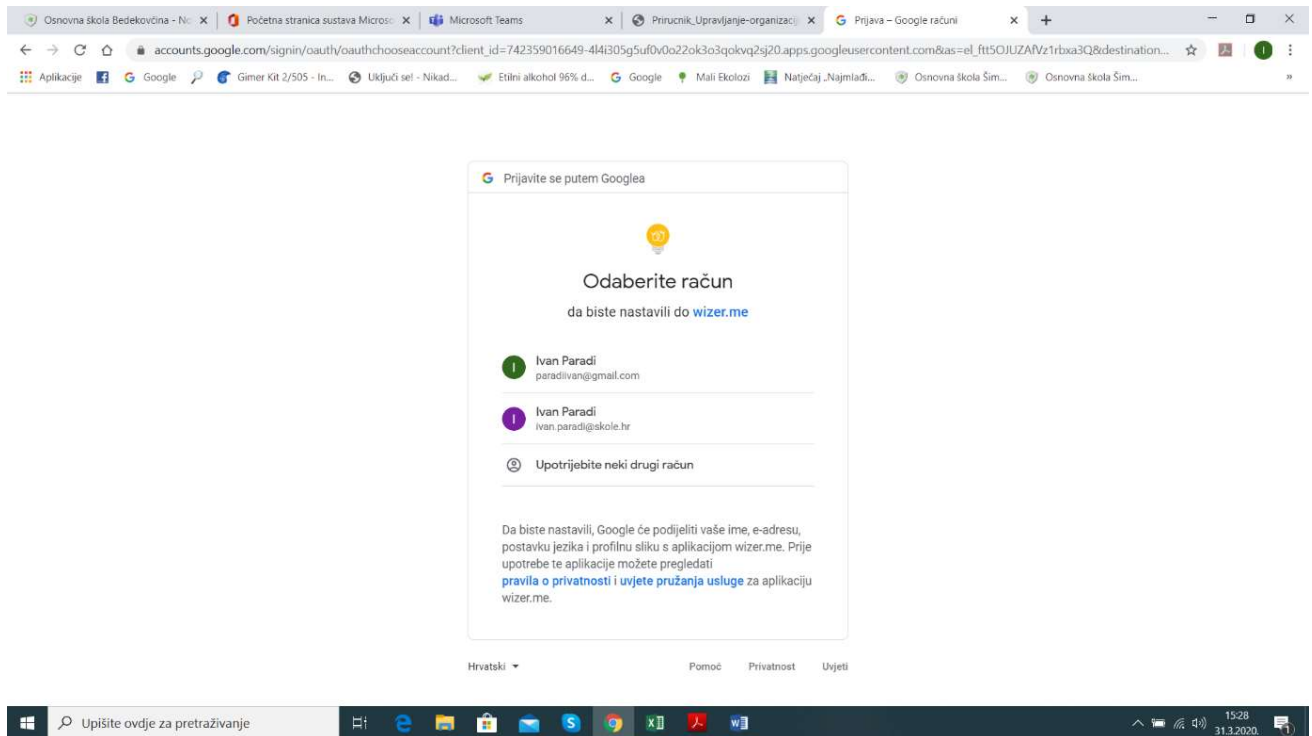

### 3. Korak: Pojaviti će vam se ovakav prikaz; vi ćete odabrati opciju **Teacher**

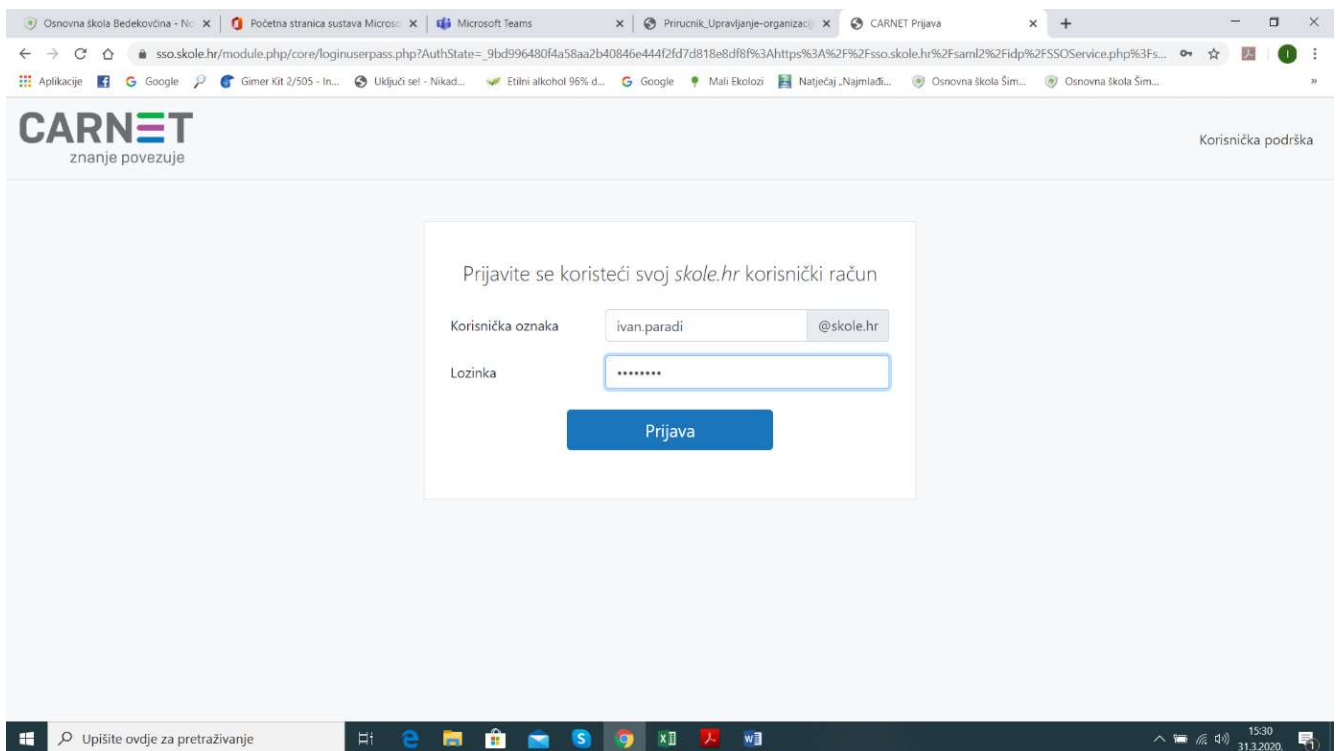

### 4. Korak: Pitati će vas na koji način ćete se „upisati“: najbolje preko Google-a ili emaila

5. Korak: Ja sam u ovom slučaju odabrao mail preko domene @skole.hr, jer me „prepoznavao“ preko @gmail-a i ne bi mogao objasniti postupak prijave

6. Korak: U bilo kojem slučaju, upišete što je potrebno

7. Korak: Kad ste ušli, upisati ćete svoje podatke i pritisnuti Done

8. Korak: Ulazite u prostor svog radnog lista kojega onda kreirate na način koji vama najviše odgovara; s desne strane su prijedlozi dizajna, a klikom na „your title here“ imenujete radni listić/provjeru.

9. Korak: Ispod naslova listića imate opciju dodavanja zadatka, kao i odabira koji tip zadatka želite; Wizer je sjajan jer daje mnogo mogućnosti i sve ovisi o vašoj kreativnosti.

Tipovi zadataka koji se mogu odabrati jesu: pitanja otvorenog tipa i višestrukog izbora, popunjavanje praznina u tekstu, imenovanje dijelova slike, uparivanje, tablice, razvrstavanje, crtanje i rasprava (diskusija) ...

Unutar pojedinog zadatka mogu se dodavati tekst, slika, videozapis, poveznica ili *embed* kod raznog sadržaja.

10. Korak: Ja sam, kao primjer, odabrao „uparivanje“ (spoji pojmove); u gornjem dijelu napišete pitanje i opis (po potrebi i želji), npr. „Spoji parove“

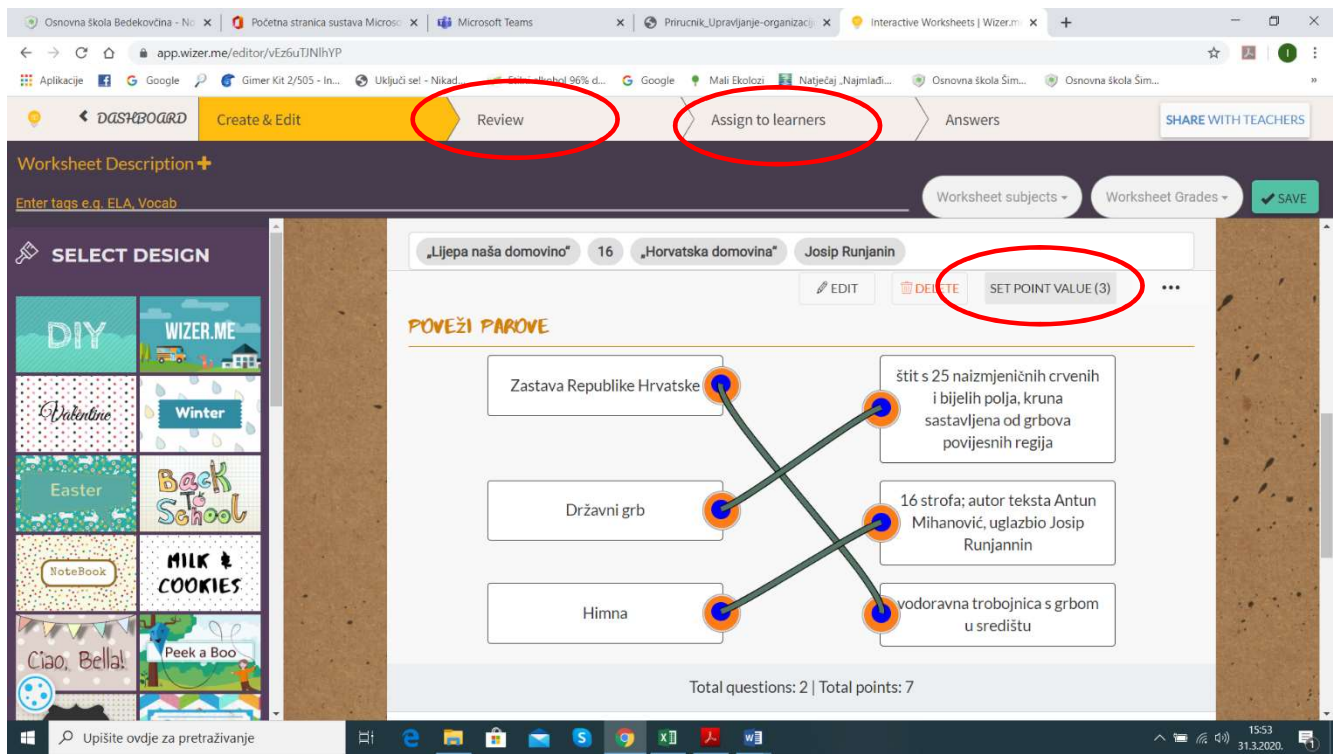

The screenshot shows the Wizer.me editor interface. At the top, there are navigation tabs: DASHBOARD, Create & Edit (active), Review, Assign to learners, and Answers. A 'SHARE WITH TEACHERS' button is on the right. Below the tabs is the 'Worksheet Description' section with a 'Enter tags e.g. ELA, Vocab' field and dropdowns for 'Worksheet subjects' and 'Worksheet Grades'. A 'SAVE' button is also present. On the left is a 'SELECT DESIGN' panel with various templates like 'DIY', 'WIZER.ME', 'Valentine', 'Winter', 'Easter', 'Back School', 'NoteBook', 'MILK & COOKIES', 'Ciao, Bella!', and 'Peek a Boo'. The main workspace is divided into sections: 'Write question here...', 'Instructions (Optional)' with a rich text editor, 'Record instructions (Optional)' with 'Voice' and 'Video' options, and 'Add matching pairs'. The 'Add matching pairs' section has two empty boxes labeled 'Left item' and 'Right item'.

11. Korak: Kad odredite naziv pitanja i eventualne upute u rješavanju, upisujete pojmove, odnosno elemente zadatka (u ovom slučaju komplementarne pojmove).

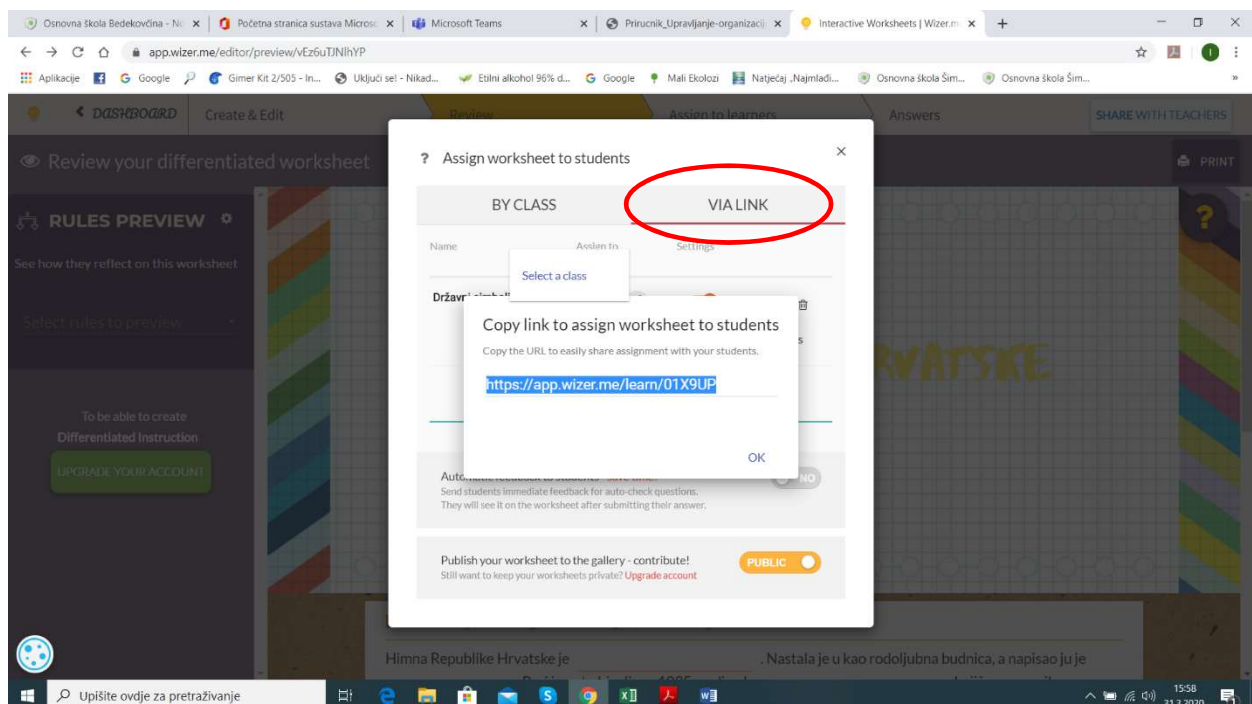

This screenshot shows the same Wizer.me editor interface as the previous one, but with content added to the 'Add matching pairs' section. The 'Voice' and 'Video' options are visible above the section. The 'Add matching pairs' section now contains two example items: 'Zastava Republike Hrvatske' in the 'Left item' box and 'vodoravna trobojnica s grbom u središtu' in the 'Right item' box. Below these are empty boxes for 'Left item' and 'Right item'. At the bottom of the workspace, there is a 'Differentiate Instruction' toggle switch and an 'EDIT RULES' button. 'CANCEL' and 'DONE' buttons are at the very bottom.

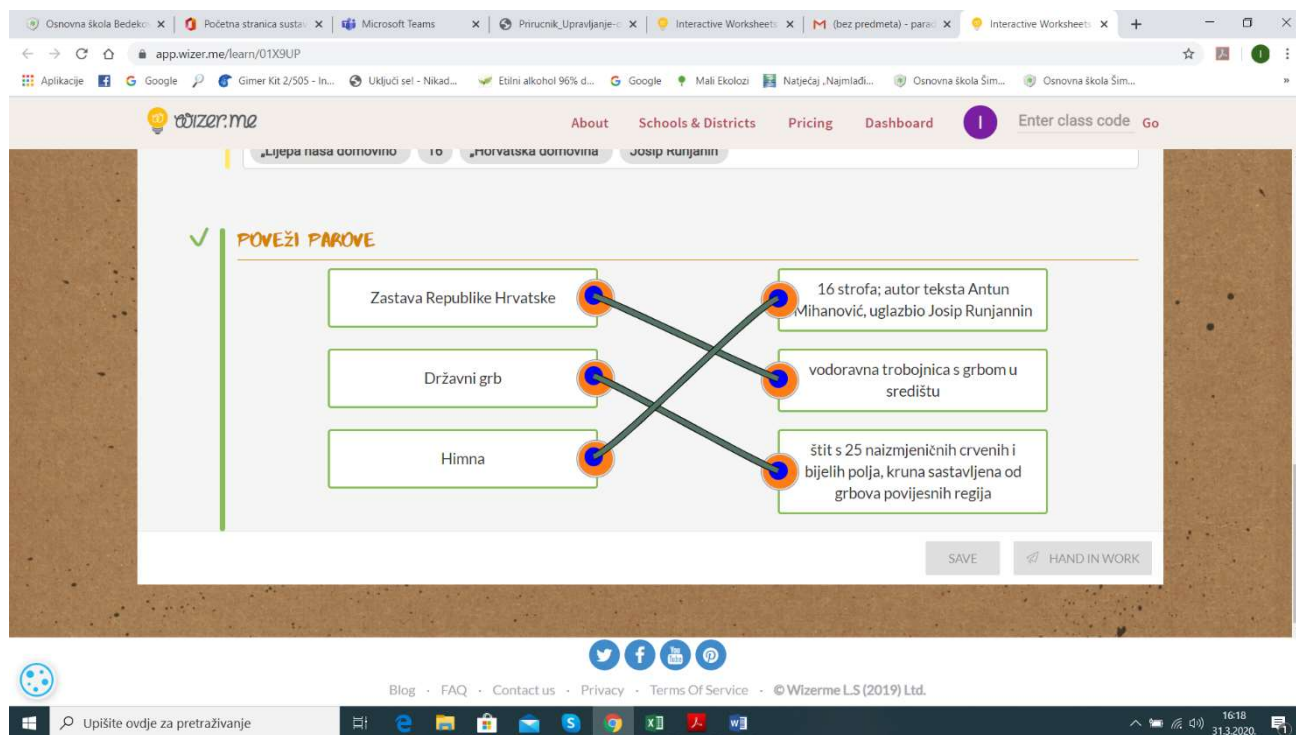

12. Korak: Kad završite s upisivanjem, odredite koliko bodova nosi i krećete na dodavanje novih zadataka; kad ste gotovi, spremite i pogledate kako će ih aplikacija razvrstati i kako bi trebalo spojiti – opcija **Review** na gornjem izborniku; ako ste zadovoljni, odaberete opciju **Assign to learners**

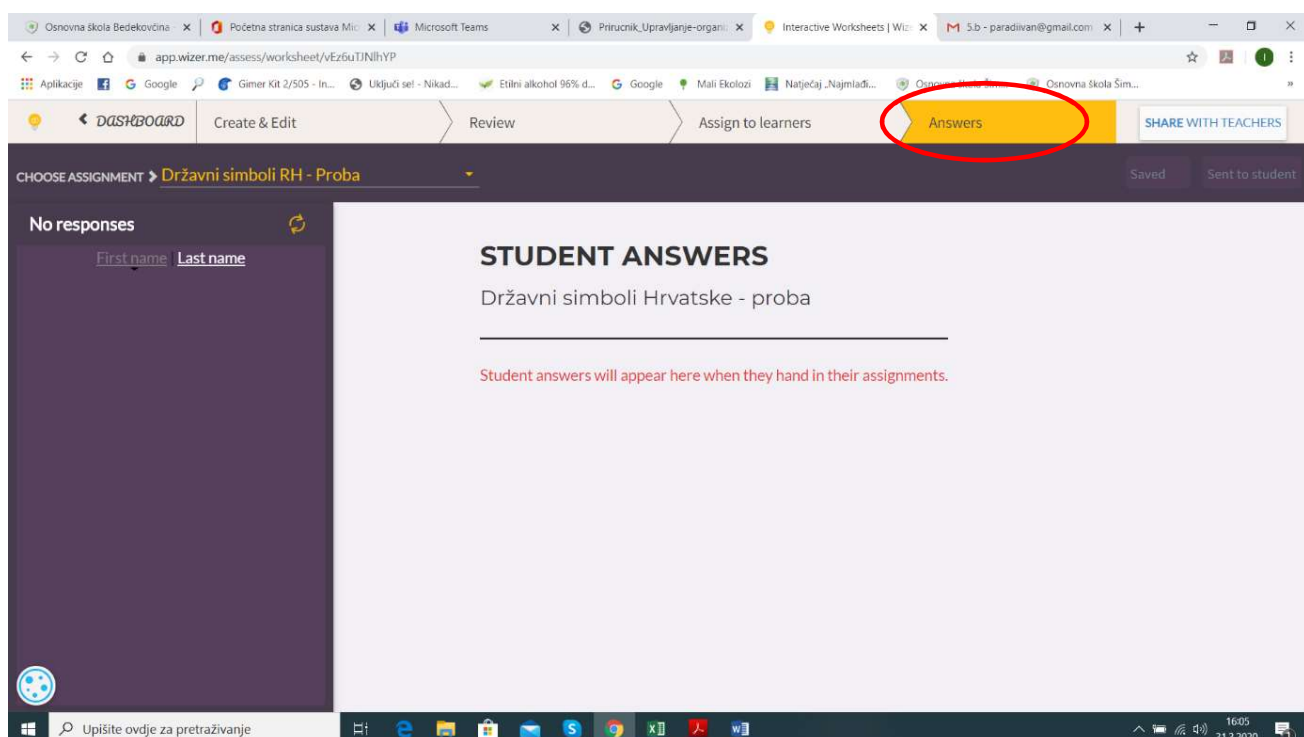

13. Korak: Odabirom opcije **Assign to learners** vi birate način na koji ćete to podijeliti/poslati učenicima; moj savjet je opcija **VIA LINK**, jer ne morate definirati razred, a link postavite/pošaljete kome želite (ili u virtualnu učionicu ili na mail)

14. Korak: Ja sam sebi poslao link mailom (na gmail adresu) i otvaranjem linka mi se otvorio primjer provjere/radnog listića, kojeg se onda rješava prema uputama u zadacima

15. Korak: Kad ste poslali poveznicu i dali uputu kad je početak rješavanja provjere i koliko je vremensko ograničenje, odaberete u gornjem izborniku „Answers“

16. Korak: Tamo u realnom vremenu možete vidjeti tko rješava, a kad učenici završe i predaju/pošalju provjere, imate kompletnu analizu po učeniku.

The screenshot displays the Wizer.me interface for a worksheet titled "Državni simboli RH - Proba". The interface includes a top navigation bar with tabs for "DASHBOARD", "Create & Edit", "Review", "Assign to learners", "Answers", and "SHARE WITH TEACHERS". The "Answers" tab is currently selected.

On the left side, under "2 responses", there is a search bar and a list of students: "Paradi Ivan" (4/7) and "Paradi Danijela" (5/7). The "Paradi Ivan" response is selected, showing a detailed view of the student's answers.

The "Ivan Paradi Answers" section displays the following information:

- Score: 4/7
- Total time spent: 4 minutes
- Completed: 31. 03. 2020. 16:14:02 (2 minutes ago)

The "BLANKS" section shows a fill-in-the-blanks exercise with the following text:
